- Inner Liner: Fleece poly cotton liner for added insulation, sweat absorption and comfort
- Tested to EN388: 2016 + A1:2018 6.5 Puncture Resistance. Specification Force (N): Performance Level 4 strength

Our work gloves are designed for trained professionals (Research lab technicians/ Veterinarians/ Animal handlers etc.) and are suitable for working with primates within LAR (Lab Animal Research) facilities.

These Premium Leather Primate Catch Gloves are manufactured using a proprietary leather tanning process using premium grade suede split leather and full grain hide.

Our Made in the USA gloves are rigorously tested under stringent process controls to ensure that each glove meets exacting quality standards and performs to specifications.
